AMATEUR BOAT BUILDERS' ASSOCIATION

June July 2022

O'CONNOR WOODEN BOATS

Our June Meeting was unfortunately cancelled at the last minute when our speaker contracted COVID. Andrew Muhling has kindly agreed to give his presentation about building a boat from MDF at our December meeting.

For our July Toolbox we were fortunate to have a sunny afternoon for our visit to the premises of O'Connor Wooden Boats in Rockingham East. Owner Tony O'Connor gave us a presentation at our Technical Meeting a few years ago. Pictures of the beautiful wooden boats built by Tony and details of the CNC router he uses can be found in the Aug-Sep 2018 newsletter in the "Journals" tab of our website <https://ABBA.ORG.AU>

Part of Tony's business is making fine timber boats as shown below.

Another part of Tony's business is CNC routing of timber sheets for kit boats and other applications. He explained how it works and gave us a demonstration of the machine in operation.

Yet another part of the business is restoration, repairs and maintenance of all types of boat in various materials.

To make your annual membership even more value for money, ABBA will pay for up to 2 logos per financial year to be applied to your items of clothing. The current cost to ABBA is \$7.15 per logo. There is no intention for this to be an ABBA uniform so the choice of style and colour is totally yours. If you are seen wearing the logo while building, working on or using your boat or anywhere for that matter it might get people asking questions and wanting to join our association. You are free to deal direct with Image Embroidery but please ensure you get an itemised invoice showing a separate price for the logo and present this to our Treasurer for reimbursement. Bruce Cadee is happy to take orders and liaise with Image Embroidery if you wish.
